

| Family          | Scientific Name                          | Common Name                               | National Status | State Status    |
|-----------------|--|---|-----------------|-----------------|
| <b>BIRDS</b>    |  |   |                 |                 |
| ACCIPITRIDAE    | <i>Accipiter novaehollandiae</i>         | Grey Goshawk                              |                 | Near Threatened |
| ACCIPITRIDAE    | <i>Erythrotriorchis radiatus</i>         | Red Goshawk                               | Vulnerable      | Endangered      |
| ACCIPITRIDAE    | <i>Lophoictinia isura</i>                | Square-tailed Kite                        |                 | Near Threatened |
| ANATIDAE        | <i>Nettapus coromandelianus</i>          | Cotton Pygmy-goose                        |                 | Near Threatened |
| ANATIDAE        | <i>Tadorna radjah</i>                    | Radjah Shelduck                           |                 | Near Threatened |
| CACATUIDAE      | <i>Probosciger aterrimus</i>             | Palm Cockatoo                             |                 | Near Threatened |
| CICONIIDAE      | <i>Ephippiorhynchus asiaticus</i>        | Black-necked Stork                        |                 | Near Threatened |
| ESTRILDIDAE     | <i>Neochmia phaeton evangelinae</i>      | Crimson Finch (white-bellied)             | Vulnerable      | Endangered      |
| MELIPHAGIDAE    | <i>Grantiella picta</i>                  | Painted Honeyeater                        |                 | Vulnerable      |
| MELIPHAGIDAE    | <i>Melithreptus gularis</i>              | Black-chinned Honeyeater                  |                 | Near Threatened |
| PSITTACIDAE     | <i>Cyclopsitta diophthalma marshalli</i> | Double-eyed Fig-parrot (Marshall's)       |                 | Near Threatened |
| ROSTRATULIDAE   | <i>Rostratula australis</i>              | Australian Painted Snipe                  | Vulnerable      | Vulnerable      |
| STRIGIDAE       | <i>Ninox rufa meesi</i>                  | Rufous Owl (Cape York)                    |                 | Near Threatened |
| <b>MAMMALS</b>  |  |   |                 |                 |
| DASYURIDAE      | <i>Sminthopsis archeri</i>               | Chestnut Dunnart                          |                 | Near Threatened |
| EMBALLONURIDAE  | <i>Saccolaimus mixtus</i>                | Papuan Sheath-tail-bat                    |                 | Near Threatened |
| HIPPOSIDERIDAE  | <i>Hipposideros cervinus</i>             | Fawn Leaf-nosed Bat                       |                 | Vulnerable      |
| HIPPOSIDERIDAE  | <i>Hipposideros diadema reginae</i>      | Diadem Leaf-nosed Bat                     |                 | Near Threatened |
| HIPPOSIDERIDAE  | <i>Hipposideros semoni</i>               | Semon's Leaf-nosed Bat                    | Endangered      | Endangered      |
| MEGADERMATIDAE  | <i>Macroderma gigas</i>                  | Ghost Bat                                 |                 | Vulnerable      |
| PHALANGERIDAE   | <i>Spilocuscus maculatus</i>             | Common Spotted Cuscus                     |                 | Near Threatened |
| PTEROPODIDAE    | <i>Dobsonia magna</i>                    | Bare-backed Fruit-bat                     |                 | Near Threatened |
| PTEROPODIDAE    | <i>Pteropus conspicillatus</i>           | Spectacled Flying-fox                     | Vulnerable      |                 |
| RHINOLOPHIDAE   | <i>Rhinolophus robertsi</i>              | Large-eared Horseshoe-bat                 | Endangered      |                 |
| <b>REPTILES</b> |  |   |                 |                 |
| CROCODYLIDAE    | <i>Crocodylus porosus</i>                | Saltwater Crocodile                       |                 | Vulnerable      |
| ELAPIDAE        | <i>Antairosepens warro</i>               | North-eastern Plain-nosed Burrowing Snake |                 | Near Threatened |
| ELAPIDAE        | <i>Furina barnardi</i>                   | Yellow-naped Snake                        |                 | Near Threatened |
| SCINCIDAE       | <i>Anomalopus pluto</i>                  | Cape York Worm-skink                      |                 | Near Threatened |
