

Newhaven Wildlife Sanctuary

Welcome to Newhaven! We hope you enjoy this beautiful property and our wonderful facilities during your stay. The volunteer ranger or sanctuary manager will collect your camping fee at some stage during your visit. If they have not caught up with you by the time you are ready to leave—please drop into the Rangers hut.

Please ensure that you have read the Conditions of Entry (found in this folder and displayed in the 'Bird Box') and signed in at the 'Bird Box' on arrival.

In this folder are interpretive notes and maps for six self guided tours and some short walks. There are also lists of the flora and fauna that have been recorded on the property. Feel free to hold onto this folder for the duration of your stay and remember to return them when you leave.

NEWHAVEN HOMESTEAD AREA

Thank you...we hope you enjoy your stay.
